Hello Tim and Hayley,

This email is to follow-up on the request for approach to identify and map locations in U.S. with the highest estimated Blood Lead Levels (BLLs). *As we outlined in our proposed approach sent March 29th following discussion with Tim (email below), ORD is providing here our Step 1 results, including 4 draft maps along with context, caveats, and planned next steps:*

Valerie has prepared and I have reviewed the bullets below, including proposed time frames. Tim requested that these bullets be sent to him this evening, if possible. Please take a look and, if you are comfortable, forward them on to Tim Epp. Thanks and please let me know if you have any questions.
